SKILLS

NodeJS

Mongo DB

mySQL

HTML+CSS

React

EDUCATION

MMAMC Campus, Biratnagar

2020-Current

Bachelor of Science in Computer Science and
Information Technology (BSc CSIT)

Shree Mahendra Secondary School

2016-2020 (Grade 9-12),Devasthan Morang
Intermediate in Computer Engineering

PROFILE

1+ years of experience designing, building, and maintaining the core systems that power applications. I thrive on crafting clean, efficient APIs, architecting robust databases, and ensuring our services are scalable, secure, and performant under pressure. I'm constantly exploring new technologies and best practices to build better foundations, aiming to deliver exceptional value by solving complex problems efficiently and exceeding technical objectives.

EXPERIENCE

MERN Backend Developer Intern

Digital Pathsala, Itahari

April 2025 - July 2025

- Developed RESTful APIs using Express.js and Node.js to support frontend functionalities
- Implemented MongoDB data models and optimized database queries for performance
- Collaborated on authentication systems using JWT ..
- Participated in daily standups and code reviews while adopting Git workflow best practices

Lab Assistant Intern

Shree Sanskrit Basic School, Sijuwa

2020 (6 months)

- Maintained and troubleshoot computer lab hardware/software systems
- Assisted instructors in setting up technical equipment for classes
- Provided basic IT support for educational software and learning tool.
